

## Course Description

*“Hide not your talents. They for use were made. What’s a sundial in the shade?”*  
—Benjamin Franklin

Do you have an opportunity to use your strengths every day? Chances are, you don’t. All too often, our natural talents go untapped. From the cradle to the cubicle, we devote more time to fixing our shortcomings than to developing our strengths.

Strength Finders identifies and labels your natural talents, those talents that you are most recognized for. The premise is when talents are known weaknesses are diminished. Clifton Strengths Finder assessment reveals your complete unique talent profile, based on your responses.

In this workshop you will complete an assessment that identifies 34 themes considered relevant and important for today’s leader. Once you’ve completed the online assessment, you will receive a personalized report that highlights your top 5 strengths and much more. The materials will explain what you naturally do best and how you can develop and use your talents to live your strongest life possible.

During this 4-hour workshop we will focus on:

- ▶ Understanding your greatest natural strengths
