PLANT TOUR

Hosted by Parinet Member George Kleinhans and the Team at Fathom Manufacturing

FATHOM MANUFACTURING

Wednesday, August 25, 2021 | 7:30-10:00 am

1050 Walnut Ridge Drive | Hartland, WI 53029

ABOUT OUR HOST

Welcome to the future of manufacturing! Fathom is the largest privately held digital manufacturing company in North America. With a national footprint, Fathom uniquely blends industrial 3D printing and additive technologies with traditional manufacturing, providing advanced rapid prototyping and on-demand low volume production services.

WHAT YOU WILL SEE:

- Five 3D additive capabilities: FDM, SLS, SLA, Polyjet, and DMLS
- Rapid Prototyping—*largest in the world*

WHAT TO EXPECT:

- Networking
- Introduction to Fathom Manufacturing
- Tour of Fathom Facilities
- Q&A with Fathom Team
